EDUCATION

2026/09 - Present	**Ph.D. student**	Department of Communicative Sciences and Disorders, NYU Steinhardt, New York University, USA
2022/09 - 2022/10	**Visiting Student**	Department of Psychology, University of Illinois Urbana-Champaign, USA PI: Kara Federmeier, Ph.D.
2020 - 2023	**M.A.**	Graduate Institute of Linguistics, National Taiwan University, Taiwan Ranking: 1st/7 Overall GPA: 4.29/4.30 Advisor: Chia-Lin Lee, Ph.D. Thesis title: *Processing of Ambiguity with Multiple Referents*
2017 - 2018	**Exchange Student**	Tokyo University of Foreign Studies, Japan Overall GPA: 4.06/4.30 Courses taken: Sociolinguistics, Syntax, Second Language Acquisition
2015 - 2020	**B.A.**	Department of Economics, National Taiwan University, Taiwan Ranking: 30th/153 Overall GPA: 3.88/4.30 **Neurobiology and Cognitive Science Program** - Certified by taking 22 credits - Courses taken: General Psychology, Mind and Brain, Neurobiology

RESEARCH EXPERIENCE

2023 - 2026	**Research Assistant & Lab Manager**	Graduate Institute of Linguistics, National Taiwan University, Taiwan PI: Chia-Lin Lee, Ph.D. Engaged in all aspects of psycholinguistic and EEG research, including experimental design, data collection, and analysis; trained graduate students, managed laboratory equipment and servers, and assisted in manuscript co-review and grant proposal preparation.
2020 - 2022	**M.A. Research Student**	Graduate Institute of Linguistics, National Taiwan University, Taiwan

TEACHING AND OUTREACH EXPERIENCE

Teaching Assistant

2020 - 2022 **Introduction to Event-Related Potential (ERP) Data Collection and Analysis**
Developed and delivered lectures on ERP data analysis.

2021 **Introduction to Psycholinguistics**
Assisted in organizing classroom discussions and guiding students on term projects.

Research Mentoring

Trained over 20 undergraduate and master's students in ERP experimental design and data analysis.

Public Outreach and Mentoring

2022–Present **Introduction to Linguistics and the Linguistics Olympiad**
Designed and taught linguistics courses for junior and senior high school students, promoting linguistics education and analytical thinking among younger students.

Student Achievements:

- A student paper, *Exploring the influences of leading questions on Taiwanese adolescents' perception of controversial topics*, was selected as a 2025 Columbia Junior Science Journal semifinalist.
- **Excellence Award** at the 4th High School Language Science Fair
- **Bronze Medalists** at the 3rd High School Language Science Fair, representing Taiwan at the Asia Pacific Linguistics Olympiad
- **Honorable Mention** at 2023 Taiwan Olympiad in Linguistics

2025–Present **Introduction to Psychology**
Designed and taught an introductory psychology course for high school students, covering scientific inquiry and reasoning, cognition and memory, learning, social psychology.

Student Achievements:

- **Silver Award**, 2025 International Psychology Olympiad
- **Bronze Award**, 2025 International Psychology Olympiad

AWARDS AND HONORS

Awards

- 2021 Excellent Teaching Assistant (Top 10%; 71 selected from over 1000 nominees)
- 2020 Best presentation for Intern Results Presentation of the Neurobiology and Cognitive Science Program
- 2016 Academic Achievement Awards (ranked 3 out of 119 students)

Honors

- International Conference Travel Subsidy, Ministry of Science and Technology, Taiwan
- Scholarship for exchange student, Japan Student Services Organization, Independent Administrative Institution
- Scholarship for exchange student, Japan-Taiwan Exchange Association

RESEARCH INTEREST

psycho/neurolinguistics, social-pragmatic communication, language and memory, Electrophysiology

SKILLS

Programming	R, MATLAB, Python
Software & Tools	Presentation, Psychtoolbox, E-Prime, Gorilla, LaTeX, JASP, Adobe Illustrator
Languages	Mandarin (native), English (fluent, TOEFL 105), Japanese (fluent, JLPT N1, highest level), Spanish (basic)

INVITED PRESENTATIONS

- *Introduction to EEG Data Collection and Analysis*. NTU MultiMoco Workshop, Taipei, Taiwan (November 14, 2022)
- *Introduction to ERP and Referential Ambiguity*. LING5705 "Uncovering Languages," National Taiwan University, Taipei, Taiwan (May 17, 2022)
- *Introduction to ERP and Statistical Learning*. LING5705 "Uncovering Languages," National Taiwan University, Taipei, Taiwan (December 3, 2020)
